Subject: Westlake/Bridgeton Landfill stories

Found one news story from Friday through this morning. Story focused on St. Charles tabling a resolution asking for the Army Corps of Engineers to take over the site.

Specifically checked KTRS, St. Louis Post-Dispatch, KMOX for any further coverage of the KTRS story and was unable to find anything on the web.

McGraw Milhaven is on holiday vacation this week. Unless a person is specifically looking for the KTRS audio about Westlake Landfill, you do not find it with a Google search. The KTRS website does not have a search utility.
